

MASTERS OF ADVANCED CROCHET STITCHES AND TECHNIQUES

Dear Crocheter:

We regret to inform you that your CGOA Masters of Advanced Crochet Stitches and Techniques portfolio did not pass at this time. It is obvious that you have put a lot of effort into your portfolio, but because of the number of swatches in which directions have not been followed correctly, we cannot continue your review. The CGOA Board has directed reviewers to return portfolios as “Not Passing at This Time” where they determine five or more errors or incorrect items.

If you would like to try again, please check your current work carefully, including taking care to follow all instructions. Rework any written and stitched items until they are the best you can do. Once you are satisfied, you may submit your entire portfolio for a Second Review per the guidelines below.

Second Reviews may be submitted **for \$20, with the enclosed form, at least one month after but no longer than one year after the previous review.** (After one year, any review requires a full re-enrollment in the program at full price. Any third or more review for material that does not pass will require re-enrollment.)

When your portfolio is received for a Second Review or other subsequent review, it will go to the bottom of the current waiting list for a reviewer assignment and will then be assigned to the next available reviewer.
