

Chapter leaders – Are you looking for ways to inform CGOA members about your Chapter? Would you like to have those unaffiliated members bring their ideas and efforts to your group?

Here's a way to contact these members, print out some of these postcards, fill in information about your Chapter – where you meet, when, contact information, website, Yahoo or Ravelry group; add a short personal note – "We'd love to have you join us"; and address it to a CGOA member in your area who isn't already coming to your meetings. There are people looking for a local group, and a personal invitation is always welcome!
